About MVCON

MVCON 2027, the second edition, is built on the success of its inaugural edition, bringing together physicians, surgeons, podiatrists, researchers and allied healthcare professionals. MVCON is designed as a multidisciplinary scientific forum for sharing evidence, debating contemporary practice, and translating research into better outcomes in diabetes and its complications.

Conference Highlights

- 📌 **Wide range of sessions:** Talks on diabetes and management of its complications such as kidney, eye, heart and dedicated sessions on diabetic foot.
- 📌 **Live workshops:** Hands-on debridement practice and demonstrations of advanced techniques such as Negative Pressure Wound Therapy.
- 📌 **Research, Recognition & Excellence:** Interactive quiz, a vibrant platform for showcasing innovative research through oral and poster presentations and exciting awards for outstanding winners
- 📌 **Networking opportunity:** A dedicated Delegate Lounge for interaction with peers and faculty.

Organising Committee
